

# Year 7 Humanities

## What do we learn?

### Term 1

- What is History?
- Map Skills

### Term 2

- Romans
- Around the World

### Term 3

- Native Americans
- Caribbean

History is about identifying chronological order. Learning about what History is and developing key vocabulary concerned with the passing of time.

Geography is about developing an awareness of the World we live in, where countries are and what they are like.

Learning basic map skills and using resources to help.

Throughout each topic we will look at developing our RE skills and awareness.
