

Year 8 Humanities

What do we learn?

Term 1

- Norman Invasion and Castles
- Weather and Climate

Term 2

- Medieval Times
- Volcanoes

Term 3

- Tudors and Stuarts
- Coasts and Rivers

History is about developing skills in chronology and understanding key parts of British History.

Geography is about developing awareness of different places and natural and human features.

Throughout each topic we will look at developing our RE skills and awareness.
