October 2017

Dear Parent/Carer

Re: Harvest of Talent

Next week we will be reflecting on the meaning of Harvest Time. In doing this, we at Marshfields use it as an opportunity to gather and celebrate the amazing talent of staff and students, which can be found within the classroom and outside the classroom. We will be holding our Harvest of Talent on Tuesday 17th October, where the students will have the opportunity to view special displays and live acts.

We are also going to use it as a time to reflect on the importance of food, which is a universal need of everybody. At times, some families struggle to fund food for their families and Peterborough Foodbank has helped many families during these times. As a school we are also registered to provide foodbank vouchers, so please do not hesitate to contact us if you are needing some support.

To recognise the work that Peterborough Foodbank do in Peterborough and as a thank you from the Marshfields families it has supported, we thought it would be an opportunity to ask our students to bring a can or a packet of food (no fresh food please) into school. Please see attached leaflet. We will collect these items until Thursday 19th October, when we will take our donations to the Peterborough Foodbank for distribution to those families in need.

Yours faithfully

Ms S A Taylor
Deputy Headteacher
