Dear Parent/Carer

**Re: NCS Scheme**

The students were all involved in an assembly today which advertised the NCS Programme, which is an opportunity open to 16/17 year olds. The NCS is a fun and unforgettable programme that encourages students to build skills for life, whilst taking on new challenges and meeting new people. It includes the students being involved in 4 weeks of activity, which includes a residential at an activity centre. The total cost is £25.00 for the whole four weeks.

If you would like to find out more, somebody from NCS will be in our Café this Friday, 23 February, from 10.30 to 12 noon. There you can ask direct questions about what it involves.

Some students have requested packs. If your child has brought a pack home and you are interested but unable to attend on Friday, then please send the pack in with the money to ensure a place is reserved.

Many thanks.

Ms S A Taylor  
Deputy Head Teacher
