

MARSHFIELDS SCHOOL
Eastern Close
Dogsthorpe
Peterborough
PE1 4PP

IT TECHNICIAN

SCALE: 2 to 17 (£17711 – 23836)

37 hours per week Full time Permanent

We are seeking to appoint an experienced IT Technician who will support the learning of our students by providing an efficient and effective IT support service across the school. The successful candidate will be a proactive worker, with a commitment to keeping up-to-date with new technologies.

From September 2019 we expect to be designated as a hub school for Peterborough, providing short-term school placements, CPD and expertise in Moderate Learning Difficulties provision across the city. We also intend to welcome our first primary-aged students at this point. A new build is due to break ground at the same time, and this will ensure we are able to continue to grow our offer to meet the needs of local students.

The successful candidate will join a small but committed team and work closely with the Headteacher to ensure that ICT across the school is high quality and well maintained.

Marshfields School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to demonstrably share this commitment. Any successful applicant will be required to undertake an enhanced check by the Disclosure and Barring Service.

Visits to the school are welcomed. Please contact judemacdonald@marshfields-sch.co.uk to make an appointment.

To apply, please complete the application form and a supporting letter by 25 March 2019 at 12pm emailed to michellebrownsword@marshfields-sch.co.uk or by post. If you have not heard from us by 26 March at 4pm please assume that on this occasion your application has not been successful.
