

Evidence for Learning – Family App

How to Guide

The Evidence for Learning (EFL) Family App is available via the App Store (Apple devices) and Play Store (Android devices).

- 1- Go to your app store and search for Evidence for Learning Family, look for the app pictured below.

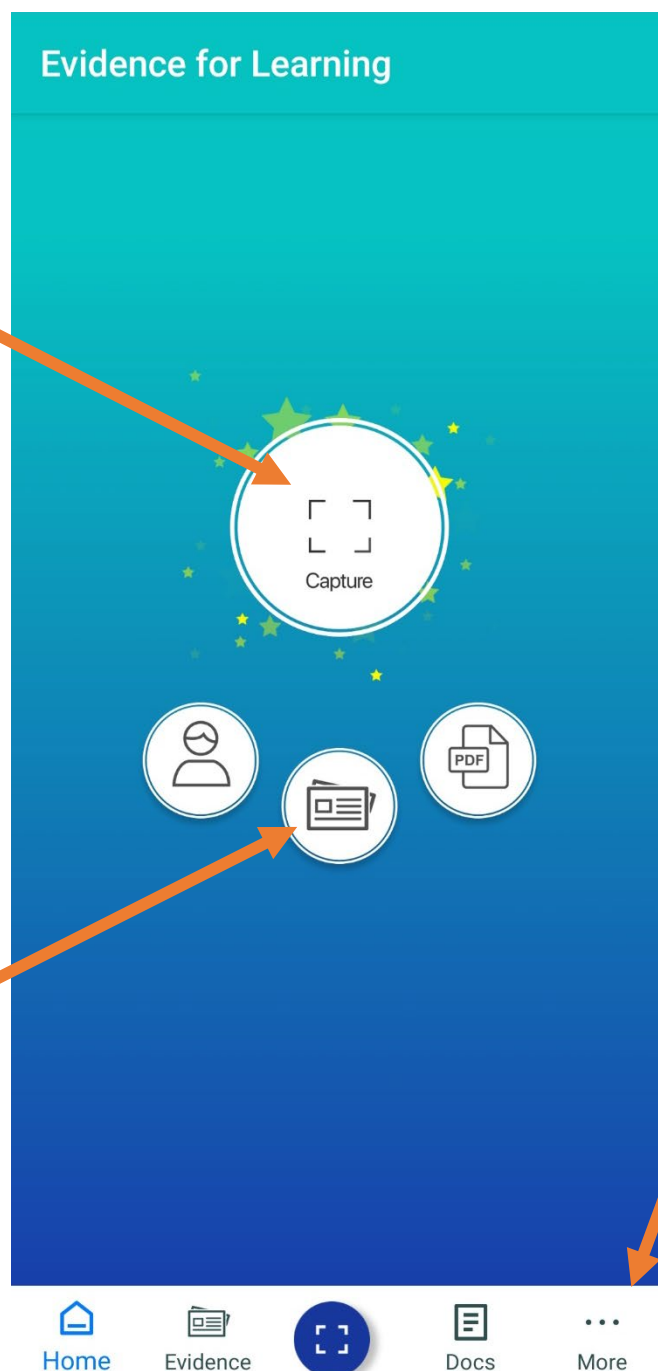

Evidence for Learning - Family
theTeacherCloud Ltd

- 2- Once the app is downloaded, you will be able to sign in via the screen pictured below. You would have been sent the Domain and Username via email. The domain is marshfieldsschool (this is case sensitive) and your username will be your email address. You will not have to sign in again unless you change your details or need to reset your password.

Sign in screen

The sign in screen for the Evidence for Learning Family app. It has a white background with a blue border. At the top, there is a logo with three overlapping circles in pink, green, and yellow, and the text 'EVIDENCE FOR LEARNING' below it. Below the logo, the text 'Sign in' is displayed in a bold, sans-serif font. There are three input fields: 'Domain', 'User name', and 'Password'. Below these fields is a blue button with the text 'SIGN IN' in white. Below the button is a link that says 'Forgot Password?'. At the bottom of the screen, there is a white box with a blue border containing the text: 'HINT: Please contact your school if you have forgotten your Domain or Username.'

3- Once you have signed in, you will see the home screen pictured below.

Capture button – You can use this button to quickly add any evidence you would like to share with us.

More button – You can use this button to access your profile settings.

Evidence button – You can use this button to quickly view any evidence you have uploaded, or evidence school have shared with you.

4- Capturing Evidence

Click the + button next to learners and select your child, if you have multiple children at Marshfields and the Evidence includes both children, you can select multiple Learners.

Click the + button in the empty box, you will be given two options, Take a Photo/Video or Photo/Video Library. Select the option which you require and then select your photo or video.

🏠 📁 📷 📄 ⋮ More

In the conversations section, you can add a comment about the evidence you are uploading.

Once you have selected the learner, uploaded photos/videos and added any comments; you need to change the evidence status to Published and then click Save.

The screenshot shows the 'Capture Evidence' app interface. At the top, there is a teal header with the title 'Capture Evidence' and a 'SAVE' button. Below the header, the 'EVIDENCE STATUS' is set to 'Published', indicated by a green toggle switch. An orange arrow points to this toggle. Below the status, the date 'Fri 19 Nov 2021' is shown. Under the 'LEARNERS' section, the name 'TEST HANNAH' is displayed. A photo of a piece of paper with the handwritten text 'How to Guide Evidence' is shown, with a trash icon in the bottom right corner. Below the photo are two empty boxes with plus signs for additional media. At the bottom, there are sections for 'TAGS' and 'CONVERSATIONS', each with a plus icon. The bottom navigation bar includes icons for 'Home', 'Evidence', 'Docs', and 'More', with the 'Evidence' icon highlighted. Another orange arrow points to the 'SAVE' button at the top right.

This will save the Evidence, and you will be able to view it via the Evidence tab.

- 5- Viewing Evidence – You have two options to view evidence, the Tile view and the Journal View. You can click into the evidence to see the photos/videos and the comments. You can even leave your own comment if you'd like!
